

IRobotStates.h

```
graph BT; CStates.h --> IRobotStates.h
```

The diagram illustrates an inheritance relationship between two C++ header files. At the top is a gray rectangular box labeled 'IRobotStates.h'. Below it is a white rectangular box labeled 'CStates.h'. A blue arrow points vertically from the top of the 'CStates.h' box to the bottom of the 'IRobotStates.h' box, indicating that 'CStates.h' inherits from 'IRobotStates.h'.
